Turkey Trot Run	12	8	4	8	8
3 on 3 Basketball Tournament	7	5	3	5	10

Leagues and One-day Tournaments

Any office/section on the Depot may enter a team however, at least 75% of that roster has to be members of that office/section. At game time, the team on the field/court must be at least 75% of that office or section and not free agents.

Teams can recruit at game time as long as they maintain 75% and recruited player is not already on another team.

If an office/section does not have enough players to form a team their options are:

1. Those players can become FREE AGENTS and play for ANY TEAM on the Depot.
2. They can recruit FREE AGENTS from anywhere on the Depot as long as the team roster and the team at game time does not exceed the 75% rule.

A player can ONLY become a FREE AGENT if the office/section they work for does not have a team.

In a doubles event if doubles partners are from two different offices/sections and place in the event, placement points will be divided evenly with each player receiving 50% of the earned points.

Entry points

For all events, only 1 set of entry points per office is given out for males and 1 set per office for female.

For leagues, a female must compete in at least 75% of the regular season to earn the entry points.

Runs

For each age group, both male and female categories 18-24 upwards offices will be awarded 5 points for 1st, 3 points for 2nd and 1 point for 3rd (these are NOT CG Cup points). All points will be tabulated and the office with the best tallied score will receive the following CG Cup points:

1st - 12 points, 2nd - 8 points, 3rd - 4 points.

For entry points, each office will be awarded 8 points as long as 1 male ran for that office in the race.

In addition each office will be awarded 8 points as long as 1 female ran for that office in the race.
